Philips ACC2320 Foot pedal USB Black:

Transcription made easy

Keep your hands free for non-stop typing

Work faster and more accurately by using your foot to start and pause the playback of audio files. The ergonomic design was developed by closely studying transcriptionists' movements. No need to lift your foot, a slightly pressing with the foot tip is enough. Both of your hands are always free for typing, allowing you to transcribe efficiently even over an extended time period.
