Targus Pro-Tek 26.7 cm (10.5") Folio Black:

Wrap your iPad® (7th gen.) 10.2-inch in strong, military grade drop protection*. Engineered for durability without adding weight, this architectural case features a flexible tray with wrap-around bezel and reinforced corners to ward off bumps and dings.

The patent-protected tray design also flexes to fit iPad Air® 10.5-inch and iPad Pro® 10.5-inch for a snug, safe fit. It is also structurally designed to redirect sound for enhanced audio. Precision cutouts give full access to controls, ports and cameras. Convenient sleep/wake feature reduces downtime and conserves the battery.

The structured cover is engineered to protect, while a non-slip interior makes it easy to adjust your iPad into infinite viewing angles or a comfortable typing position. Altogether, it's a superior choice for protecting your iPad.
