

USB C Multiport Adapter - Portable USB-C Mini Dock 4K HDMI Video - Gigabit Ethernet, USB 3.0 Hub (1x USB-A 1x USB-C) - USB Type-C Multiport Adapter - Thunderbolt 3 Compatible

Product ID: DKT30CHD

This USB-C Multiport Adapter with HDMI combines the capability of three single-function adapters, a USB-C video adapter, USB-C to USB 3.0 adapter, and Gigabit Ethernet adapter, into a portable docking station for your laptop. You can connect a 4K HDMI display and two USB 3.0 devices (1x USB-A, 1x USB-C), and get high-speed network access, all through a single cable.

The USB Type-C adapter is compatible with Thunderbolt 3 ports.

Add a 4K UHD Monitor

With HDMI output, this USB-C multiport adapter makes it easy to expand your virtual workspace onto an external 4K HDMI monitor. The adapter supports resolutions up to 4096 x 2160p (24Hz) or 3840 x 2160p (30Hz), as well as audio.

Reliable Network Access

The USB-C multiport adapter ensures a reliable wired network connection with a Gigabit Ethernet port, which is ideal for areas with limited Wi-Fi® access such as in classrooms, office buildings and hotels.

Connect Your USB Devices Easily

With two USB 3.0 ports (1x USB-A, 1x USB-C) you get access to traditional USB Type-A devices, as well as newer USB-C devices you add in the future.

Bring Productivity with You Wherever You Go

With its compact design and bus-powered performance, the portable multiport adapter is easy to take with you anywhere you take your laptop. The adapter features a pre-attached USB-C cable, so you have one less cable to carry when you're on the move.

The StarTech.com Advantage for Docking Stations

- **Maximum compatibility** - StarTech.com has a docking station to fit every operating system, laptop brand, and connectivity need
- **Get more done faster** - More ports and more displays maximize end user connectivity and productivity
- **Quick installation** - eliminate deployment headaches that waste time and frustrate end users
- **IT Grade quality** - trusted by IT pros around the world for our rigorous in-house product testing, robust compliance, and lifetime multilingual technical support

The DKT30CHD is backed by a StarTech.com 3-year warranty and free lifetime technical support.

Note: Your USB-C equipped host laptop must support video (DP Alt Mode) to work with this adapter. The adapter does not support USB Power Delivery.

Certifications, Reports and Compatibility

Applications

- Ideal for mobile use
- Integrate into small workspaces in offices and home offices

Features

- DOCKING STATION WITH ESSENTIAL PORTS: 4-in-1 USB C multiport adapter with 4K 30Hz HDMI video output, Gigabit Ethernet port, USB 3.0 Hub 5Gbps (1x USB-A and 1x USB-C ports); USB bus-powered
- EXTRA LONG CABLE: Mini dock has an attached 13 in (34cm) cable to provide extended reach to reduce connector strain on 2-in-1 devices like Surface Pro 7, iPad Pro, HP Elite or laptops on riser stands
- DESIGNED FOR PORTABILITY: USB-C port expander w/ ultra compact square design for presentations in meeting rooms connected to a TV/display/monitor, working from home or on the go
- WIDE DEVICE COMPATIBILITY: USB-C and Thunderbolt 3 laptops, ultrabooks, USB-C Chromebook, tablets and phones for brands such as HP, Dell, Lenovo, MacBooks, iPad Pro, Surface, Samsung and Pixelbook
- WIDE OS COMPATIBILITY & EASY SETUP: Universal USB Type-C multiport adapter features automatic driver installation & supports major operating systems like Windows, macOS, Chrome OS, iPadOS and Android
