

HP USB Keyboard and Mouse Healthcare Edition

Make the most of your workspace with the sleek, white, IP 65-rated¹ HP USB Keyboard and Mouse Healthcare Edition, which simplify patient data entry and are easy to keep clean.²

Meet your sanitization requirements

Help maintain a clean work area with a keyboard and mouse that can be wiped down with commonly-used germicidal agents.² The keyboard's USB cable and cover are removable for additional cleanability.

Small size, big features

Enjoy a reduced-size keyboard that packs a familiar notebook-style layout and function keys into a small, space-saving design. The comfortably intuitive, low-profile scissor keys make data entry easy, and the mouse can be used in either hand.

USB connectivity

Attach the keyboard and mouse to any USB port on your PC with the included USB cables.

Rest easy

Get the reassurance of a one-year limited warranty.

1. IP 65 test results not a guarantee of future performance under these test conditions. Damage under the test conditions or any accidental damage requires an optional HP Accidental Damage Protection Care Pack.

2. See user guide for specific agents and cleaning instructions.
