

3.5 HDD DATA SHEET

Tough. Ready. Scalable Purpose-built for Connected-Home, SOHO and Small-to-Medium Business NAS Environments

IronWolf™ is designed for consumer and commercial NAS. Delivering Tough, Ready and Scalable 24x7 performance in multi-bay, networked environments.

Best-Fit Applications

- Consumer and Commercial NAS
- Desktops and Workstations
- Multimedia Servers

Key Advantages

Optimised for NAS with AgileArray™ AgileArray enables Dual-Plane Balancing and Time-Limited Error Recovery to deliver best-in-class RAID performance in multi-bay systems.

Always On, Always Accessible IronWolf drives are designed for 24x7 usage, allowing users to access their data any time, anywhere.

All-CMR Portfolio All IronWolf drives utilize Conventional Magnetic Recording (CMR) technology for consistent, best-in-class NAS performance.

Up to 12 TB Broad range of capacity options to deliver scalable and cost-efficient storage solutions.

Built Tough IronWolf drives are rated for 180 TB/year workload, allowing consumer and commercial NAS users to seamlessly store and work with large amounts of networked data.

Superior Reliability and Dependability IronWolf drives are rated for 1M hours MTBF and include a 3-year limited warranty for hassle-free data storage and best-in-class total cost of ownership (TCO)

Rotational Vibration (RV) sensors. Built-in RV sensors for vibration tolerance and consistent performance in multi-bay systems.¹

IronWolf Health Management (IHM) Actively protect your NAS data with Prevention, Intervention, and Recovery recommendations to ensure peak system health.²

Peace of mind with Data Recovery IronWolf drives include 3 years of complimentary Rescue Data Recovery Services - in-house secure facilities, with an industry-leading recovery rate of 95% - so you do not have to incur high recovery costs in the event of accidental data corruption or drive damage.³

¹ Included on models >=4 TB.

² IHM is enabled on leading NAS systems. Please check with your NAS vendor or a Seagate sales representative for more details.

³ Rescue services are not available in all countries. Please check with your Seagate sales representative for more details.

Specifications	12 TB	10 TB	10 TB	8 TB	6 TB
Capacity	12TB	10TB	10TB	8TB	6TB
