Troubleshooting

The controller is not functioning properly

- Remove controller from the Nintendo Switch™ console and reattach it.
- Make sure that your Nintendo Switch™ is updated to the latest system firmware.

The analog sticks are not responding correctly

Disconnect and connect the controller from the Nintendo Switch or Nintendo Switch Dock and turn ON the Nintendo Switch. Once Nintendo Switch is ON, rotate the analog stick 2-3 times.

The process above will only work when this product is attached to the Nintendo Switch™ console and the power supply is on.

* This product is not compatible with the "Calibrate Control Sticks" option in the Nintendo Switch™ HOME Menu.

How to change Turbo Speed

You can adjust the Turbo mode to 3 different speeds.

5 → 10 → 20
times/second ← times/second ← times/second

- * Please use the TURBO Button (L) and the Left Stick when adjusting the Turbo Speed on (L). Please use the TURBO Button (R) and the Right Stick when adjusting the Turbo Speed on (R).
- * When setting Turbo speed, Turbo LED (green) will flash at a rate corresponding to the set Turbo speed.
- * Turbo speed is set to 10 times/second by default.
- * Analog Sticks must be returned to the neutral position before changing to the next turbo speed.

Headphone/Mic Jack

(Cannot be used on PC.)

Please turn down the volume on the Nintendo Switch before connecting a headset, as the sudden high volume may cause discomfort to your ears.

Do not use high volume settings for an extended period of time to avoid hearing loss.

- * When connecting a headset directly to this product, voice chat can be used if the software supports in-game voice chat function.
- * If the software does not support voice chat function, our "Hori Gaming Headset for Nintendo Switch" series can be used together with the Nintendo Switch smartphone app "Nintendo Switch Online" to use voice chat.
- * Please check the instruction manual or contact the software publisher to see if voice chat is supported in the game.

for disposal of electrical equipment or batteries. In so doing, you will help to conserve natural resources and improve standards of environmental protection in treatment and disposal of electrical waste. Applicable to EU countries and Turkey only.

THE FCC WANTS YOU TO KNOW

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

US

Warranty

HORI warrants to the original purchaser that the product purchased new in its original packaging shall be free of any defects in material and workmanship for a period of 90 days from the original date of purchase. If the warranty claim cannot be processed through the original retailer, please address directly to HORI at info@horiusa.com. Please visit <http://stores.horiusa.com/policies/> for warranty details.

EU

Warranty

For all warranty claims made within the first 30 days after purchase, please check with the retailer where the original purchase was made for details. If the warranty claim cannot be processed through the original retailer or for any other inquiries pertaining to our products, please address directly to HORI at info@horuk.com.

Simplified Declaration of Conformity

Hereby, HORI declares that this product is in compliance with Directive 2014/53/EU.
