SMARTMOUNT.

Flat Video Wall Mount

FOR 40" TO 65" DISPLAYS

The DS-VW665 is the latest addition to a growing line of modular video wall mounts from Peerless-AV. This mount includes innovative features that simplify the installation process, such as custom wall spacers and 8 points of tool-less micro-adjustment. These unique features provide seamless display alignment of small or large video wall configurations, while ensuring each mount is positioned for the specific display being used. In addition, integrated cable management tie-backs and a clean profile cap off the aesthetically pleasing install.

Customizing your video wall unit is made easy with the DS-VW665, providing seamless display alignment for small or large video wall configurations.

Additional Features

- Modular mount for unlimited video wall display configurations
- Tool-less micro-adjustment at 8 points seamlessly align the displays
- Custom wall plate spacers eliminate the guesswork and on-site installation calculations
- Integrated cable management tie-backs make display-to-display cabling simple
- Displays and mounts sit flush against the wall for a clean profile
- Included security hardware deters tampering and theft
- Adjustable VESA® mounting patterns from 200 x 200 up to 700 x 400mm, PLP compatible
- Can be fastened to a wall slanted forward up to 45°

Tool-less micro-adjustment

Clean profile

Locking bar prevents removal of the display
