Outdoor Universal Flat Mount - Portrait

FOR 42" TO 80" DISPLAYS

Peerless-AV's Outdoor Universal Flat Wall Mount offers peace of mind when mounting Peerless-AV's outdoor displays with its corrosion resistant E-Coat finish and plated hardware. In addition to simple installation with its Hook-and-Hang™ design, the open wall plate provides total wall access while keeping the display a mere 1.77" from the wall. To ensure your display is secure, tamper resistant hardware helps deter theft, offering safety and reassurance with every installation.

The ESF655P's corrosion resistant coating allows this mount to be used outside, protecting it from all outdoor elements.

Additional Features

- Designed specifically for outdoor use and constructed from weatherproof materials
- Low-profile design holds display only 1.77" (45mm) from the wall for a clean application
- Safety latch ensures display is securely attached to wall plate
- Universal display adaptors easily hook onto the wall plate for fast installation
- Universal mounts displays with mounting patterns up to 450 x 745mm (17.73"W x 29.31"H) and up to 400 x 600mm VESA® compliant
- Open wall plate design allows for total wall access, increasing electrical and cable management options

RoHS

Patented. Utility Patent No. 7,823,850; 8,517,322; ZL200710020462.7; 1109953B; 8,348,212; 7,722,002.
