

Single Display Bracket w/ Pole & Desk Clamp

No.: 40657

Discreetly mount a single display to a fixed ceiling to floor pole

Description

- Mount a single monitor to a standard office desk
- Flexible metal arm for easy manoeuvrability of the display
- Conforms to VESA standards (75 x 75mm and 100 x 100mm)
- Robust, lightweight metal pole with aluminium powder coated bracket
- 2 Year Warranty

The Lindy Single Display Bracket with pole and desk clamp is a high quality, all in one solution for mounting a single monitor or display to a standard office desk or table. With a robust design and flexible metal arm, the display can be easily manoeuvred to ensure the optimum viewing angle.

This mount will fit most major brands and models of monitor that have a VESA size of 100 x 100 or 75 x 75mm. (Compliant to VESA standards - VESA measurements are the recesses on the back of your TV or screen. Please measure these to ensure your TV is compatible with this bracket).

Please note: Please confirm this bracket can support the display's VESA mounting dimensions and weight before ordering
