Compatibility

Charge, Sync & Power

The cable allows you to charge your USB-C devices using a USB-A enabled wall charger or a computer. It can output up to 3A current for fast charging your phone or accessory. It will also support up to 480Mbps data transfer rates to sync your photos, videos, music and files.

Elements Pro Range

The ALOGIC Elements Pro range is crafted from reliable materials to achieve a refined design and provide additional durability against all types of wear and tear. The cable is strengthened with a flexible fabric braiding for added strength and thermoplastic (TPE) housing for maximum strain relief.

User Interface

Input USB-C (Male) × 1
Output USB-A (Male) × 1

Data Rate

Bandwidth up to 480Mbps
