Video Conferencing

The Adesso CyberTrack H7 is a 2K QUAD HD desktop webcam with autofocus, 30 FPS refresh rate, and built-in dual microphones. With 360-degree swivel and 180-degree tilt, the webcam allows your audience to feel like they are in the room with you. The built-in dual microphones let your voice be heard loud and clear, whether you are chatting with loved ones or conducting a business video conference. It also includes a tripod-ready clip for additional placement options. With all these great features, you can easily record and transmit your videos to everyone!

■ 2K Quad High-Definition Video

With 2K Quad HD processing, autofocus and a refresh rate of 30 FPS, the CyberTrack H7 not only gives you a smooth video experience, but it can also record high-definition video in any lighting condition.

■ 80-Degree Angle Field of View

An 80-degree field of view enables everyone in the room to be seen. Designed for boardroom meetings, telecommuting, or multiperson chats.

■ 4.0 Megapixel CMOS Sensor

This webcam features a true 4.0MP CMOS image sensor that provides crisp, colorful and clear Quad HD quality video and snapshot image at a maximum resolution.

■ Built-In Dual Microphones with Noise Cancellation

With noise cancellation technology, the built-in dual microphones provide remarkable clarity to ensure every word is heard.

■ Privacy Shutter & Tripod Mount

The privacy shutter covers your webcam when not in use, preventing hackers from spying, and providing privacy, security, and peace of mind to individuals, groups, organizations, companies, and governments. The webcam also features a tripod-ready clip for additional placement options.
