V7 SAFE SOUND 2 OVER-EAR EDUCATION HEADSET

Designed for the Classroom. The Best Choice for Young Learners!

Keep your students focused and their hearing protected with Safe Sound 2, a highly durable headset specifically designed for the rigors of the modern classroom. Featuring a uniquely designed sound level control system, Safe Sound 2 headsets can safeguard a student's hearing while then they're engaged in their lessons. It's specifically designed for smaller head sizes to ensure a comfortable fit for a focused learning experience.

Safe Sound 2 headsets offer an impressive array of features designed to enhance user safety and provide exceptional durability. Each headset is built with antimicrobial materials to prevent bacterial growth, includes highly durable braided cables, and is tested to meet military durability standards.

Safe Sound 2 headset include both 3.5mm AUX and USB-A/C cables, ensuring compatibility with virtually any Chromebook, PC or mobile device.

- Safe sound control system limits sound output to safe levels for kids
- User replaceable 3.5mm AUX and USB-A/C braided cables
- Padded ear cushions and fully adjustable headband for comfortable wear
- Antimicrobial materials to help prevent bacterial growth
- 270° Rotatable rigid boom microphone
- Works With Chromebook certified
