

8GB* capacities

SanDisk® Clip Jam MP3 Player

Wear up to 2000³ songs

Highlights

- Super lightweight wearable personal music player
- Deep, rich sound quality
- 8GB* internal storage, with a microSD™ card slot¹ for more
- Up to 18 hours battery life²
- Available in a rainbow of neon bright colors

Put the fun back into music-on-the-go with the compact and colorful Clip Jam™ digital music player you can clip on and take anywhere. The one inch screen and big navigation buttons make it easy to drag, drop and play files, create playlists and see what's playing now. This lightweight clip-on player comes with 8GB* of storage, so you can carry 2000 of your favorite songs, or your audiobook library—it plays many popular audio formats, like MP3, WMA (no DRM), AAC (DRM free iTunes), and Audible (DRM only) and delivers deep, rich sound for up to 18 hours² on a single charge. Use the built-in microSD™ card slot¹ to add even more storage to your music player. The Clip Jam™ player is available in a rainbow of eye-popping colors and comes with earphones and an FM radio tuner for when you want to check on tra c or listen to the news.

It's all about the sound

Bottom line, a music player you wear as often as your favorite sneakers has got to sound great. The Clip Jam™ player does. It delivers sound so rich and deep you'll wonder how it can be so small or so affordable.
