

mCase Duo™ for OtterBox uniVERSE

Tablet solutions

Turn your tablet into an mPOS solution

mCase Duo for OtterBox uniVERSE is a mounting solution that enables a payment terminal to be connected via the mCase Duo to your tablet uniVERSE case to create a versatile cost effective and simple to use mobile point of sale (mPOS).

Compatibility

uniVERSE case systems for a variety of Apple and Samsung tablet devices.

mCase for a variety of payment devices from all leading manufacturers.

Benefits

- Creates a **simple, cost effective** mPOS solution
- Fixed POS, **mobile** or **hybrid** options
- **Easily integrate** a range of payment devices with tablets
- Delivers **great customer service** and no more queues – serve customers where most convenient for them
- Rotating or fixed payment mount attachment designed specifically for **uniVERSE tablet cases**
- Allows camera access on all devices for a range of business uses (Rotation only)
- Centre connector with quick release adapter for uniVERSE tablet cases providing the option to **ergonomically mount** to a counter, floor stand or wall mount
- Existing SpacePole customers can **maximise investment** by utilising existing poles, mounts and mCases
