

Powerbank 10,000 mAh

Two USB-A Output Ports (2.1 A and 1 A), Two Input Ports (USB-C and Micro-USB, 2 A each), 10,000 mAh, White

Part No.: [406277](#)

EAN-13: 0766623406277 | UPC: 766623406277

A 10,000 mAh Powerbank for plugging into power anywhere

The Manhattan Powerbank 10,000 mAh gives up to two mobile devices — smartphones, tablets and more — a much-needed boost. This Powerbank can help you stay connected, enjoy music and more from almost anywhere and without interruption. The touch of a button lets you know where you stand on available power, with bright status LEDs that light to show how much is left. You can recharge the efficient lithium-polymer battery through a Micro-USB or USB-C cable, but we include a 2-in-1 USB-C/Micro-USB to USB-A charging cable to give you even more access. This Powerbank's small and slender housing makes it a natural fit in a pocket, notebook computer case, backpack or airplane carry-on. So, it's ready with a fresh supply of power when you need it, whether in an emergency or daily use.

Features:

- Convenient, rechargeable external backup power for mobile devices
- Provides up to 10,000 mAh of power
- Provides up to 10,000 mAh of power through two USB-A ports when conventional sources are unavailable
- Two USB-A ports delivering up to 5 V at 2.1 A and 1 A
- Overload, overcurrent and overheating protection
- Quick recharging via USB-C or Micro-USB
- Power indicator LEDs to see battery status at a glance
- High-capacity, efficient lithium-polymer battery for long, reliable service
- Ideal for smartphones, tablets and more
- Compact, portable and stylish design for easy fit into a pocket
- One-year warranty

Specifications:

Standards and Certifications

- CE
- FCC
- RoHS

General

- Battery type: one lithium-polymer, built-in
- LED indicators of battery-charge percentage: one LED (<25%), two LEDs (25 – 49%), three LEDs (50 – 74%) and four LEDs (75 – 100%)
- Button to activate LEDs and check battery status

Power

- Input voltage: USB 5 V, 2 A
- Output voltage: USB 5 V, 2.1 A max.
- Capacity: 10,000 mAh
- Watt Hours: 37
- Overcurrent protection
- Overcharge protection
- Overheating protection

Ports

- Two USB-A: 2.1 A and 1 A (output)
- One Micro-USB: 2 A (input)
- One USB-C: 2 A (input)

Physical

- Operating temperature: charging 0 – 40°C (32 – 140°F); discharging -10 – 60°C (14 – 140°F)
- Storage temperature: -20 – 60°C (-4 – 140°F)
- Dimensions: 136 x 67 x 15 mm (5.35 x 2.64 x 0.59 in.)
- Weight: 230 g (8.11 oz.)

Package Contents

- Powerbank 10,000 mAh
- 2-in-1 USB charging cable (USB-C and Micro-USB to USB-A), 20 cm (7.87 in.)
