How your case can help save the world

We're committed to doing our part to reduce carbon emissions in the world. This case for Galaxy S22 Ultra gives life to a combination of bio-based materials and is Bio UL certified.

Show your true colours

The Clear Standing Cover has a see-through back and sides so that your phone's sleek design, in your chosen colour, is the main attraction.

Clear-cut protection

A combination of two clear materials helps to keep your phone protected. Each corner stays safe with a bouncy TPU (Thermoplastic Polyurethane) bumper, while a plate of solid PC (Polycarbonate) has your phone's back covered.

Take a relaxed view

Do what you like, hands-free. The Free Stop Hinge on the back of your case is adjustable, so you can pick an angle that works best, as you watch a movie or follow a recipe.
