 MOUNTING

BT7033

AV ACCESSORY SHELF

The BT7033 is a stylish black accessory shelf that can be mounted directly to a wall or across a wide range of B-Tech products such as System X rails and columns, shelf adaptors, and also accessory collars to allow for pole mounting. The shelf can be mounted across one or two poles and includes xing points for VC cameras using 100 x 100mm xings.

SPECIFICATION

Shelf dimensions	300 x 300mm
Max load (single attachment)	15kg
Max load (double attachment)	25kg
