

1TB, 2TB, 4TB*

SanDisk Extreme PRO® Portable SSD

Powerful SSD performance designed for your toughest jobs

Highlights

- Powerful NVMe™ solid state performance—2000MB/s** read/write
- Nearly 2x as fast as our previous generation
- Forged aluminum chassis acts as a heatsink for sustained speeds
- Drop protection and IP55 water and dust resistance³
- Keep private content private with the included hardware encryption²
- Compatibility with a range of USB Type-C™ smart phones
- Handy carabiner loop for securing your drive
- 5-year limited warranty¹
- From SanDisk®, the brand trusted by professional photographers worldwide

Creating top-tier content can put a strain on your device, your camera or your system. To capture and keep your best work, you need fast, high-capacity storage that's reliable enough to help you consistently overdeliver on your toughest jobs. The SanDisk Extreme PRO® Portable SSD is housed in a forged aluminum chassis that also acts as a heatsink, saving you time through higher sustained speeds—up to 2000MB/s** read/write. A durable silicone shell, up to two-meter drop protection³, IP55 water and dust resistance³, and a handy carabiner loop for securing the drive give you the peace of mind to take it with you wherever your job—or life—takes you. From the brand trusted by professional photographers worldwide, the SanDisk Extreme PRO Portable SSD provides blazing NVMe™ solid state performance in a rugged, dependable storage solution.
