

Dual Monitor USB 3.0 Docking Station - 6x USB 3.0

Product ID: DK30ADD

This USB 3.0 docking station for Mac and Windows™ laptops gives you display flexibility and the ports you need to maximize workstation performance. The cost-effective dual-monitor docking station provides many video output options including HDMI®, DVI and VGA (with adapter), and gives you six USB ports for peripherals, including two fast-charge USB ports.

Enhance Productivity with Dual Video

The USB 3.0 dock expands the display capabilities of your Mac or Windows laptop. Set up dual displays by connecting to one HDMI and one DVI monitor. Plus, the laptop docking station includes a DVI to VGA adapter, so you can connect to a legacy VGA monitor.

With the dual-monitor dock, you can connect:

- 1x HDMI display + 1x DVI display at 2048 x 1152 resolution @ 60Hz
- 1x HDMI display at 2048 x 1152 resolution + 1x VGA display at 1920 x 1200 resolution @ 60Hz

All the Connections You Need

Transform your laptop into a fully capable workstation. This USB 3.0 dock provides six USB 3.0 (Type-A) ports so you can easily connect your keyboard, external drives and other peripherals, from the single USB 3.0 host connection. Two of the USB 3.0 ports are always-on fast-charge ports, adding charge-and-sync flexibility for up to two mobile devices. The docking station also provides a Gigabit Ethernet port plus a 3.5 mm audio headphone port.

DK30ADD is backed by a StarTech.com 3-year warranty and free lifetime technical support.

Certifications, Reports and Compatibility

Applications

- Connect to a wide range of monitors in businesses and institutions
- Ideal for shared workspaces in hotels, or for short-term hot desk applications
- Add dual video outputs to a laptop, where the video card can't be replaced

Features

- Connects your Mac or Windows laptop to dual monitors: HDMI + DVI, or HDMI + VGA
- Connect more USB devices with 6x USB 3.0 (Type-A) ports including 2x Fast-Charge ports
- Add wired network connectivity with the Gigabit Ethernet RJ45 port
- DVI to VGA adapter included to connect to a legacy VGA display or projector
