

## charge stream™ global travel kit

Compact, universal wireless charging kit for global travel  
Made for Samsung, Apple, and other Qi-enabled smartphones

### UNIVERSAL WIRELESS CHARGING

Works with Samsung, Apple, and other Qi-enabled smartphones.

### INTERNATIONAL ACCESSORIES

Includes interchangeable AC plug adapters for NA, EU, AU, UK, and CN.

### PORTABLE & ORGANIZED

Carry everything you need to charge your phone in a convenient travel pouch.

### WALL & CAR ADAPTERS INCLUDED

Charge anywhere, on the way to your destination or when you arrive.

### Key Selling Points

- The wall adapter included in the travel kit comes with interchangeable AC plug adapters for North America, Europe, Australia, United Kingdom, and China.
- The convenient travel pouch makes it easy to carry everything you need to charge while traveling.
- Wirelessly charge any Qi-enabled smartphone as well as mophie cases with wireless charging.
- The charge stream pad mini can deliver a charge through cases up to 3mm thick.
- Car and wall adapters with a 2.4A output facilitate a quick and efficient charge for your device.
- When you're traveling, the long 1.5m (4.9ft) USB-A to micro USB cable makes it easy to plug in and charge, even when the wall socket isn't located conveniently by a desk or bedside table.

Universal wireless charging.
