

Konftel 70

Dynamic dialog. Distinctive design.

reddot winner 2021

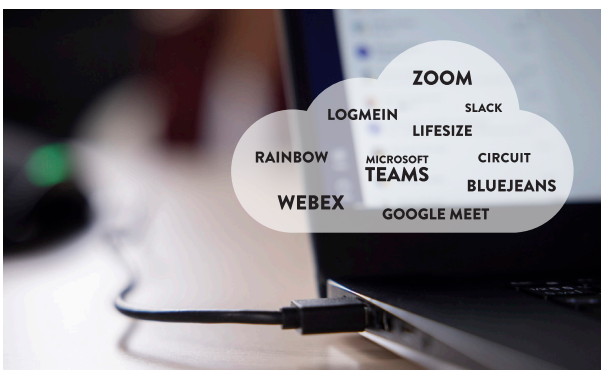

Meet the Konftel 70, a versatile high performance speakerphone that blends exceptional audio quality with a stylish cutting edge design. It's a perfect video meeting companion or can be used as a standalone or even portable solution, for huddle rooms and small/medium locations.

The award-winning Konftel 70 looks as good as it performs, with a clear user interface and sweeping dynamic design. An optimized set of touch buttons reflects a focus on usability, that's earned a coveted Red Dot design award. The Konftel 70 is simple, flexible, affordable and appealing.

Four beamforming digital microphones provide a more focused audio experience with less distracting background noise. The Konftel 70 creates balanced, natural and lifelike conversations utilising noise suppression and echo cancellation as part of Konftel's acclaimed OmniSound® technology. Hear and be heard in crystal clear, rich detail.

OmniSound®

- Room type: Huddle to Medium
- OmniSound® lifelike audio
- Beamforming microphones
- USB
- Bluetooth® with NFC
- Battery with 9 hours talk time
- Free software updates
- Two-year warranty
- Easy operation
- Climate Neutral Certified

YOUR MEETINGS, YOUR WAY

Konftel creates maximum flexibility with any collaboration app or cloud service, as part of our 'Bring Your Own Meeting' ethos, on any laptop with a USB port. Add the Konftel 70 for high performance enhanced audio capabilities.

CLIMATE NEUTRAL PRODUCTS

Konftel is certified in line with the Climate Neutral standard. This means that we have offset all our greenhouse gas emissions and are taking action to further reduce those emissions. When you choose a Konftel product, you keep a clear climate conscience while supporting your organization's growing need for video collaboration.

WIRELESS FREEDOM

With a built-in battery and wireless connectivity options, the Konftel 70 is equally at home as a permanent or portable speakerphone. The device includes long range Bluetooth® and NFC pairing – whilst up to 9 hours talk time is available from a single charge.

COMPLETE VIDEO CONFERENCING KITS

Are you looking for a complete video solution for small or medium sized rooms? The Konftel C2070 combines the Konftel 70 with the Konftel Cam20, which delivers 4K video resolution. In addition, the Konftel OCC Hub brings the whole package together, so a single USB cable is all you need to connect the conference camera, sound device and the room's screen to the collaboration app on your laptop. It's as simple as it is ingenious!
