

Xtream G1

Stereo Gaming Headset with Microphone

www.adesso.com

Multi-Platform Compatibility

The Xtream G1 is compatible with different systems that utilize 3.5mm audio jack as their audio connection such as smartphones, PC/notebooks, Playstation 4, Xbox One, Nintendo Switch, etc.

Comfortable Fit & Wear

The earcups and headband are adjustable to ensure the perfect fit, while the custom padding provides a soft comfortable fit.

Built-in Noise Cancelling Microphone

The built-in microphone is omnidirectional which picks up sound with reliability and is flexible which allows you to adjust the position for optimal performance. The built-in noise cancelling technology helps filtering out unwanted noises from the background, delivering your voice in the most clear and precise manner.

Volume Control

With the conveniently located media control, you can adjust the volume easily at the tip of your fingertips.

LED lighting

The LED lighting design provides a unique look and aura to the overall design of the headset.

The 3.5 mm Y-Adapter

The 3.5mm Adapter allows you to use the headset on computer systems that require separate input/output connections.

4-band 3.5 mm Jack

The 4-band 3.5mm Jack allows the headset to work directly with most mobile phone/audio devices.

Specifications:
