

Power Delivery Mini Car Charger - 30 W

USB-C Power Delivery Port up to 30 W, Black

Part No.: [102421](#)

EAN-13: 0766623102421 | UPC: 766623102421

A portable, powerful Power-Delivery-capable charger for your car

Take real charging power on the road with the Manhattan Power Delivery Mini Car Charger - 30 W. The USB-C port's Power Delivery (PD) technology determines the power needs of your connected MacBook®, smartphone, tablet, handheld game console or other device and delivers it at the fastest, safest rate. Its compact and ultra-modern design fits most vehicles' 12 - 24 V auxiliary power socket, making it the perfect tool to have on hand for when your device's battery is running low and you're away from a wall outlet. And, the Manhattan Power Delivery Mini Car Charger - 30 W also intelligently protects itself and your devices from short-circuits, overvoltage, overcurrent and overheating.

Features:

- Fast-charges a mobile device on the road
- USB-C Power Delivery (PD) port delivering up to 30 W
- USB-C Power Delivery (PD) port delivering up to 30 W to charge a smartphone, notebook, tablet, GPS, handheld game console and more
- Foldable ring for easy setup and removal
- Overload, overcurrent and overheat protection
- Ultra-compact, portable and lightweight design for easy travel
- Fits most vehicles' 12 - 24 V auxiliary power socket
- Three-year warranty

Specifications:
