

Easy Rack 0U Accessory Channel ER7RCC42

Accessory Kit for use with 42U Easy Rack

Kit Instructions

ER7RCC42 Inventory

Installation:

Install the 0U Vertical Accessory Channel 42U to the top and bottom of the side supports in the rear of the rack with four (4) M5 x 10 Phillips head screws provided. The 42U Easy Rack in the illustration is shown from the rear with the doors removed for clarity.
