DESCRIPTION!

The cordless PowerGlide hard floor cleaner is the fastest, easiest and most satisfying way to clean and polish every type of hard flooring to a perfect shine.

Simply fill with your choice of either water or liquid cleaning solution, press the button on PowerGlide's handle to spray as desired, and glide!

The result is a stunning, professional-grade finish, every time - in no time at all.

PowerGlide's powerful Pads rotate at 250rpm to do the hard work for you, lifting stains effortlessly, cleaning and buffing around 20 square metres per minute, leaving floors spotlessly clean, dry, and beautifully streak-free.
