

Mobile Printing Solutions

Today's mobile workforce demands mobile printers that are light, fast and reliable indoors or out; whether you are producing labels for warehousing/logistics or providing on-the-go receipts for Tablet POS or Mobile Payment. Star's extensive range of feature-rich receipt and label printers provide the ideal solution.

Key applications

- a Retail**
Mobile receipts, product coupons
- a Logistics**
Delivery labels and invoices
- a Transport**
Mobile receipts and tickets
- a Hospitality**
Mobile receipts, food labels

Windows

Made for
iPhone | iPad | iPod

star webPRNT

Star WebPRNT Browser for Bluetooth Mobile

Star's platform-agnostic WebPRNT™ solution is designed to generate print data via a web browser to output directly to Star mobile printers using Star's WebPRNT Browser Software available from Google Play or the App Store.

Star's WebPRNT removes the issues usually associated with web-based printing by offering driverless printing capabilities for all receipt data, utilising HTML and JavaScript standards to provide consistent browser printing. Star WebPRNT supports all standard receipt requirements including logos and barcodes.

WebPRNT SDKs including a demonstration page are available from Star's Global Support Site

SM-S230i

Bluetooth Super Compact 2" / 58mm Mobile Receipt Printer with Auto Reconnect

High resolution 203 dpi and 80mm/second print speed
Super compact & durable design – just 114 x 80 x 44mm and weighing 217g (inc. battery) with 1.5m drop test
Auto detect pairing with Apple iOS (MFi certified), Android, Linux & Windows devices
Multiple LED status display for easy use
Maximum 19 hour battery life printing at 5 minute intervals

SM-T300i

Rugged 3" / 80mm Bluetooth Receipt and Label printer with Auto-Reconnect

Pairs with iPad, iPhone and iPod Touch (MFi certified) as well as Android and Windows devices via Bluetooth
Wired Serial Connection RS-232
Receipts and fixed length labels
High resolution 203 dpi and 80mm/second print speed
Rugged design with IP54 dust/splash-proof certificate
1.5m drop reliability
Maximum 31 hour battery life, printing at 5 minute intervals
SM-T301i version with 1&2 track magnetic stripe reader

SM-T400i

Durable 4" / 112mm Bluetooth Receipt and Label printer with Auto-Reconnect

Pairs with iPad, iPhone and iPod Touch (MFi certified) as well as Android and Windows devices via Bluetooth
Wired Serial Connection RS-232
Receipts and fixed length labels
High resolution 203 dpi and 110mm/second print speed
Rugged design with IP54 dust/splash-proof certificate
1.5m drop reliability
Maximum 35 hour battery life printing at 5 minute intervals
SM-T404i version with 1,2&3 track magnetic stripe reader

Easy-to-use with simple paper loading and a long battery life, Star's range of Bluetooth mobile printers are ideal for printing high quality receipts, coupons, labels and tickets directly from tablets and smartphones. The latest SM-L Printers offer Micro USB Charging and traditional Classic Bluetooth connectivity as well as Bluetooth 4.0 (Bluetooth Smart / BLE) and can communicate with multiple iOS devices (no Pin required).

Please note Android and Windows will only connect via traditional Bluetooth 2/3

SM-L200

Compact 2" / 58mm Bluetooth/BLE Receipt and Label printer with Micro USB Charging

High resolution 203 dpi and 35mm/second print speed
Super compact design just 122 x 83 x 44mm & weighing 220g with the battery
Simple, no pin required auto pairing with Bluetooth 4.0 devices including Apple iOS, Android, Linux & Windows
Bluetooth 4.0 allows the use of multiple iOS tablets as opposed to the traditional one-to-one

Print receipts during the day and product labels after hours with traditional 58mm Label support with Black Mark & transmissive sensors or MAXStick™ ReStick style, liner-free labels
OLED display and 13 hour battery life
Desk dock cradle charger & in-vehicle mount options

4.0  Bluetooth®

4.0  Bluetooth®

SM-L300

Compact 3" / 80mm Bluetooth/BLE Receipt and Label printer with Micro USB Charging

High resolution 203 dpi and 65mm/second print speed
Traditional 40 – 80mm Label support with Black Mark & transmissive sensors
MAXStick™ ReStick style, liner-free label support
Unprecedented 43 hour battery life!
High contrast OLED Display for improved visibility of printer status
Unique "flat", decurl paper feature

Unique micro USB charging 5V desktop cradle charger
Super compact design just 119 x 146 x 69 mm / 540g
Bluetooth 4.0 allows the use of multiple iOS tablets as opposed to the traditional one-to-one
SM-L304 version with Magnetic Stripe Reader

SM-L200/SM-L300 options

5V Desktop Charging Cradle

Convenient presentation angle for desktop receipt or label printing while charging
USB charging cable included (charge from existing system or add power adaptor)

SM-L200:
116 w x 94 d x 80 h mm
SM-L300:
135.65 w x 140.78 d x 85.6 h mm

Liner-Free Labelling from MAXStick™

With a ReStick / RePositioning feature according to the "stick" strength you are looking for – perfect for hospitality special orders / deliveries / warehouse or temporary labelling.
