

AXIS T91H61 Wall Mount

Quick connection and room for more

Designed for fixed dome cameras, AXIS T91H61 Wall Mount accommodates and safely protects accessories inside the mount. Connect to power and data quickly and easily with the built-in RJ45 cable and connection. Designed to be impact- and weather-resistant, this mount is suitable for all environments both indoors and outdoors. It can be mounted on poles and corners with the help of optional accessories.

- > Room for connectivity devices, midspans (not included) and service loop
- > Protection against impacts, rain, dust and corrosion
- > Built-in RJ45 cable with connector
