## Product Marketing

Product Name/Title	Nucleum
Text Layer	<b>Live the moment™. Use the mouse, monitor and accessories that you've grown to love with your new notebook.</b> With a single USB-C hub, you can connect up to 7 devices at once and keep your creativity flowing. The Nucleum has you covered whether you want to connect to a larger monitor or need to offload footage. With the Nucleum, you can also power up your MacBook* while also running a secondary 4K monitor and charging an iPhone*.
Keywords	USB-C hub, multiport adapter, docking station
Bullet Points	<ul style="list-style-type: none"> <li>• 7 ports of potential from one USB-C connection</li> <li>• Add more pixels using the 4K HDMI output</li> <li>• Power pass-through to charge your connected devices</li> <li>• Small and light, makes it easy to take with you</li> <li>• Designed for content creators with the included SD and microSD slots</li> </ul>
