**ECD ENTRY LEVEL CASH DRAWER**

## **ECD410 Cash Drawer**

### **A Robust, Practical Cash Drawer**

APG's Entry Level Cash Drawers, ECD, are a range of cost effective, highly functional cash drawers that offer excellent value for money. Carefully selected from a number of quality industry acclaimed manufacturers, the ECD range is perfectly suited to a variety of sectors, including hospitality and general retail, where a good performing cash drawer is appreciated but a heavy-duty lifetime is not expected.

The ECD410 model is a hard wearing cash drawer with a high volume insert accepting the majority of European currencies, therefore it is the preferred choice of leading retailers worldwide.

#### **Durable**

Featuring a robust steel construction (at 7 kg in weight) & steel ball bearing rollers for a prolonged operational life.

#### **High Capacity**

The removable insert can accommodate 4 notes and 8 coins. The adjustable note and coin dividers maximise the insert capacity while the 8 coin compartment section is also removable.

#### **Multiple Storage**

The drawer provides further storage with dual posting slots under the insert for additional media items.

#### **Versatile**

The optional lockable lid provides safe and secure transport to the back office and features an indicator switch to show whether the insert is locked or open.
