

AXIS T91B57

For sturdy installations on poles

AXIS T91B57 Pole Mount is a high-quality pole mount designed for use with selected AXIS T91 wall mounts and AXIS T98A cabinet series. It is easily adjustable to fit poles with a diameter between 100–410 mm (4–16 in). The pole mount has an IK10 rating for impact resistance, which safeguards it against vandalism. It features a closed back and a cable gasket, which means it is also protected against insect infestation.

- > Indoor and outdoor use
- > Impact-resistant to prevent vandalism (IK10)
- > Cable gasket to prevent insect infestation
- > Robust and safe
