PowerDrive PD+ 2

Next-Gen Speed

Equipped with a USB-C Power Delivery port, and loaded with 18W of output power to give the latest iPhones a full-speed charge. Fast charge iPhone 8 or later models to 50% in just 30 minutes.

Universal Compatibility

Works flawlessly with virtually all mobile USB-C devices, as well as Apple devices using a USB-C to Lightning cable.

Superior Safety

Anker's exclusive MultiProtect safety system ensures complete protection for you and your devices.

Break the Speed Limit

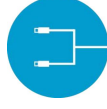

Charge 2 devices up to 1.5 hours faster than standard chargers, leaving them in the dust.

Power Delivery

Quick Charge Compatible

Charge 2 devices
