moving you forward

YES36 Charging Cart

- Adjustable rows & dividers: Holds any device: 36 Chromebooks and tablets, or up to 24 large laptops
- Lightweight design: Locking casters let you easily move from room to room
- Secure storage: Multi-feature locking system keeps devices secure
- Fast charging: Charges up to 40% faster than standard round-robin systems
- Fully assembled: Just plug it in to start charging—saving you time and hassle
- Lifetime warranty: Adapts to new devices and lasts for years for the best ROI

CUSTOMIZABLE DESIGN FITS ALL YOUR DEVICES—
AND YOUR BUDGET

Say "YES" to a flexible charging cart that charges all your devices from Chromebooks to tablets in one place—all while staying within your budget. The YES36 Charging Cart fits screens up to 13"—and some up to 14" or larger—thanks to adjustable Pop-N-Go Bays. The heavy-duty steel construction keeps devices secure with its durable design. The innovative power management system charges devices 40% faster than other systems, so they're ready when you need them. The wide handle and locking casters let you easily move your devices from room to room. Best yet, it ships fully assembled, so it's ready to go out of the box.

YES36 Charging Cart

Part Number (grey & white)	YESMOR36-2 (EU) YESMOR36-3 (UK/IE)
Compatible Devices	Fits all shapes and sizes of screens up to 14 – with and without cases (Verify device dimensions for compatibility)
