Shape	A60 Bulb
Voltage	230 volts
Specific Uses	General purpose
Type of Bulb	LED
Cap Type	B22
EU Energy Efficiency Label	A+
Efficiency	800 lumen
Wattage	9 watts
Incandescent Equivalent	Average Life 30000 hours
60 watts	
Beam Angle	240 degrees
App Name	ENERJSMART
Wi-Fi Frequency	2.4G only (5G not supported)

Features

- Latest Technology: Tunable White includes Bright Day White 6000K and Cozy Warm White 2700K. You can dim the lamp via APP (ENERJ Smart APP) or voice command, making your home more comfortable space.
- Work hard, Party Harder: More than 16 million colours for you to choose. Eight scene modes (Night, Reading, Party, Leisure, Soft, Rainbow, Shine, Gorgeous) for you to enjoy your wonderful life after work.
- Smart Voice Control: No hub required, works great with Alexa, Google Home and IFTTT, so that you can easily turn on/off the bulb, adjust the colour with just your voice or even dim your lights.
- Make your home smarter: you can use it in anywhere in your home, such as kitchen, bedroom, living room, hall, porch, pantry, wall light, stairs, thereby making your home smarter place to live.
- Excellent after-sales service: CE and RoHS approved. We offer 24-month warranty! We have a dedicated technical support to help you in case you have any queries.
