

i-tec USB-C Metal Charging HUB 4x USB 3.0 + Power Delivery 60W

i-tec USB-C Metal Charging HUB 4x USB
3.0 + Power Delivery 60W

PRODUCT DESCRIPTION

Elegant metal design, quick-charging USB ports and option to supply a laptop/tablet with up to 60 W. The product is an ideal accessory for any user whose laptop or tablet does not feature a sufficient number of USB ports, thus preventing comfortable or simultaneous connection of all the necessary devices such as HDD/SSD, flash drives, mobile phones, digital cameras, MP3 players, printers etc.

This hub offers 4 USB 3.0 ports with Plug & Play and BC 1.2 USB charging. The hub automatically detects whether a device for USB charging is connected. Thanks to the placement of the ports, you will have sufficient space to connect even larger devices or devices with a more sizeable connector. The USB 3.0 interface is particularly important for data transfer from USB 3.0 memory cards and flash drives, where its high transfer speed will find the most use.

The hub works flawlessly even when used without a USB-C charger connected. In that case, however, it will not power your laptop/tablet, nor will it be able to provide quick-charging (for a mobile phone, for instance) using the BC 1.2 standard, i.e. 10 W.

The hub can give you its utmost when connected to USB-C charging (ideally with at least 60 W, though 85 W are recommended). In that case, not only will the hub power your laptop/tablet, but the USB ports themselves will provide quick charging (at least two ports will have this capability, depending on the USB-C charger's input power).

PRODUCT FEATURES

- 1x USB-C port for connecting to a device with a USB-C or Thunderbolt 3 (33 cm USB-C connecting cable is included)
- 1x USB-C PD port (power delivery only)
- 4x USB 3.0 port with quick charging support (BC 1.2)
- LED indication (blue LED)
- OS: Windows 10, macOS X, Linux, Android, Chrome OS
- Product dimensions: 86 x 86 x 14 mm
- Product weight: 79 g

- Package dimensions: 69 x 100 x 26 mm
- Package weight: 174 g

Hardware Requirements

- Device with a free USB-C or Thunderbolt 3 port

Operating System

- Windows 10, macOS X, Linux, Android, Chrome OS

SPECIFICATION

Part Number	Product Description & EAN
C31HUBMETAL4	i-tec USB-C Metal Charging HUB 4x USB 3.0 + Power Delivery 60W EAN: 8595611703287
Hardware	
Bus type	USB-C, Thunderbolt-3
Ports/Connectors	
System Requirements	
Operating system	Windows 10 macOS X Android Linux Chrome OS R51 or later Windows 10 - Automatic installation of OS drivers. Other operating systems - manual driver installation. Firmware updates automatically.
Other features	
Colour	Silver
Housing Material	Aluminium
Product Dimensions	86 x 86 x 14 mm
Product Weight	79 g
Package Weight	174 g
Packaging Dimensions (LxWxH)	69 x 100 x 26 mm
Support	
Warranty period	2 years
Technical support	lifetime
Package contents	
i-tec USB-C Metal Charging HUB 4 Port	
USB-C cable (33 cm)	
User manual
