

Data Sheet

FUJITSU Accessories USB Type-C Port Replicator 2

Connect to your peripherals. Adapt to the task on demand

Connect to your peripherals. Adapt to the task on demand. The universal USB Type-C connection helps you to get your peripheral devices connected easily. Enhance your USB connection options, connect your displays via HDMI, DisplayPort or VGA and charge your device without an additional charger.

Reliability

- High quality and stability
- Everything you need via one source

Features

- Power delivery to Fujitsu mobile clients
- Displayport / HDMI / VGA
- On/off button with resume support
- USB-Type-C and USB Type-A interfaces
- PXE boot
- MAC address setting
- Wake on LAN
- Supporting from 9th generation LIFEBOOK and STYLISTIC devices

Usability

- Gain instant access to your input devices, LAN and all peripherals with one USB plug
- Keep your peripherals plugged-in
- Having a clean desk and save space with only one cable connected to your mobile client
