White and coloured light

71902/55/PH

Limitless possibilities

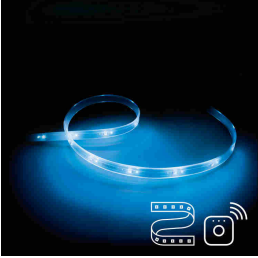

The most flexible light source imaginable. Extend your Philips Hue Lightstrip Plus with these 1-metre extensions for larger surfaces. Shape it, attach it to any solid surface and enjoy high lumen output.

Shape light your way

- Requires a Philips Lightstrip Plus and a Philips Hue bridge
- Ultimate flexibility: shape, bend and extend
- Extend your Lightstrip Plus with 1-metre extensions
- Extendible up to 10 metres

Highlights

Requires a Lightstrip Plus

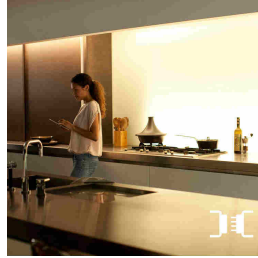

This product can only be used to extend a Philips Hue Lightstrip Plus and needs to be connected to the Philips Hue bridge.

Ultimate flexibility

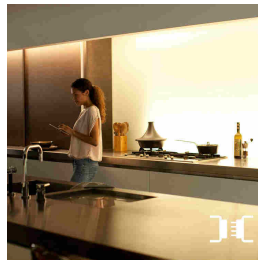

Philips Hue Lightstrip Plus is the most flexible light source imaginable. You can shape the strip into almost any form and use the adhesive tape on the back to attach it to any solid surface. If needed, you can cut your Philips Hue Lightstrip Plus to size at the scissor markings. Integrate Philips Hue Lightstrip Plus onto furniture, in coves, under kitchen cabinets or highlight architectural features with smooth, indirect light. Philips Hue Lightstrip Plus is the most versatile and robust light source that will bring your room to life.

Extend your Lightstrip Plus

Extend your Philips Hue Lightstrip Plus with these 1-metre extensions to cover larger surfaces and enable wider applications.

Extendible up to 10 metres

Extend your Philips Hue Lightstrip Plus up to 10 metres by adding 1-metre extensions* to cover larger surfaces and enable wider applications. From bright cove lighting to ambient navigation light in your hallway or stairs, anything is possible. Philips Hue lightstrip plus gives you full colour consistency from the first to the last extension.*Can only be extended with the Bluetooth-compatible version.
