CHARGING CHARGEMENT

The Stealth™ 600 Gen 2 gives you 15 hours of rechargeable battery life. Make sure to charge it regularly before storing.

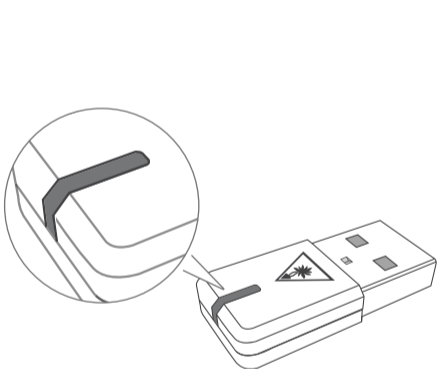

Le Stealth™ 600 Gen 2 vous offre 15 heures d'autonomie de batterie rechargeable. N'oubliez pas de le recharger régulièrement avant de le ranger.

Headset Storage
Always charge your headset before storing it for any extended period of time (greater than 3 months). Never store the unit in temperatures above 113°F/45°C.

Rangement du casque:
Chargez toujours votre casque avant de le ranger pour une longue durée (plus de 3 mois). Ne stockez jamais le casque à des températures supérieures à 45°C.

LED BEHAVIORS ÉTATS DES VOYANTS

Solid Red Rouge et Fixe	(While Charging) Battery Charging (En Charge) Batterie en Charge
Breathing Red Clignote en Rouge	Battery Low Batterie Faible

PAIRING JUMELAGE

The headset and transmitter are paired out of the box, indicated by a solid LED on the transmitter. If your transmitter's LED is double-blinking, follow the steps to pair your headset and transmitter.

Le casque et l'émetteur mini devraient déjà être appariés, comme l'indique un voyant fixe sur l'émetteur. Si le voyant de votre émetteur clignote deux fois, suivez les étapes pour appairer votre casque et votre émetteur.

1 Connect your Stealth™ 600 Gen 2 for PlayStation™ Transmitter into an available USB port on your PlayStation™ 4 console. Your Transmitter will begin to double blink blue as it searches for your Headset.

Connectez votre émetteur Stealth™ 600 Gen 2 pour PlayStation™ à un port USB disponible sur votre console PlayStation™ 4. Votre émetteur commencera à clignoter deux fois en bleu, indiquant qu'il cherche votre casque.

2 Power on your Stealth™ 600 Gen 2 for PlayStation™ Headset and the LED will begin to double blink blue as it searches for your Transmitter.

Allumez votre casque Stealth™ 600 Gen 2 pour PlayStation™ et le voyant LED commencera à clignoter deux fois en bleu, indiquant qu'il cherche votre émetteur.

3 Within 10 seconds, the Transmitter's and Headset's LED's remain solid, indicating a successful pairing. Dans les 10 secondes qui suivent, les voyants LED de l'émetteur et du casque resteront fixes, ce qui indique qu'ils ont bien été appariés.

After 30 seconds, your transmitter will search for both the previously paired headset or any available Stealth™ 600 Gen 2 headset to pair to. Bring the two units close together to ensure faster pairing.

Au bout de 30 secondes, votre émetteur cherchera le casque apparié précédemment ou n'importe quel casque Stealth™ 600 Gen 2 disponible avec lequel s'appairer. Rapprochez les deux unités pour un appariage plus rapide.

Regulatory Compliance Statements for Stealth™ 600P Gen 2 RX & TX

Local Restrictions on Radio Usage
Caution: Due to the fact that the frequencies used by wireless devices may not yet be harmonized in all countries, these radio products are designed for use only in specific countries, and are not allowed to be operated in countries other than those of designated use. As a user of these products, you are responsible for ensuring that the products are used only in the countries for which they were intended and for verifying that they are configured with the correct selection of frequency and channel for the country of use. Any deviation from the permissible power and frequency settings for the country of use is an infringement of national law and may be punished as such.

To determine whether you are allowed to use your wireless network device in a specific country, please check to see if the radio type number that is printed on the identification label of your device is listed in the manufacturer's CEM Regulatory Guidance document at the following URL: <http://www.turtlebeach.com/homologation> or contact Turtle Beach directly.

Federal Communications Commission (FCC) Compliance Notices
This section includes the following FCC statements for the Stealth™ 600P Gen 2 RX & TX.
• FCC ID: KCB-TB3140 (RX) & KCB-TB3141 (TX)
• Class B Interference Statement
• Non-Modification Statement
• RF Radiation Exposure & Hazard Warning

Class B Interference Statement
This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. The limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
• Reorient or relocate the receiving antenna.
• Increase the separation between the equipment and receiver.
• Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
• Consult the dealer or an experienced radio/TV technician for help.

FCC Caution:
This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

RF Radiation Exposure & Hazard Statements
To ensure compliance with FCC RF exposure requirements, this device must be installed in a location such that the antenna of the device will be greater than 2 cm (0.8 in.) from all persons. Using higher gain antennas and types of antennas not covered under the FCC certification of this product is not allowed. Installers of the radio and end users of the product must adhere to the installation instructions provided in this manual. This transmitter must not be co-located or operated in conjunction with any other antenna or transmitter.

Non-Modification Statement
Use only the supplied internal antenna. Unauthorized antennas, modifications, or attachments could damage the Stealth™ 600P Gen 2 RX & TX Models and violate FCC regulations. Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment. Please contact Turtle Beach for a list of approved 2.4 GHz antennas.

This product is compliant with the Consumer Product Safety Improvement Act of 2008, Public Law 110-314 (CPSIA)

Canadian ICES Statements (IC):
3879A-3140 (RX) and IC: 3879A-3141 (TX)
This device complies with ICES-003 and RSS-247 of Industry Canada. Operation is subject to the following two conditions:
1. This device may not cause interference, and
2. This device must accept any interference, including interference that may cause undesired operation of the device.

Ce dispositif est conforme aux normes (NMB003) et CNR-247 d'Industrie Canada
Son fonctionnement est soumis aux deux conditions suivantes:
1. Ce dispositif ne doit pas causer d'interférences nuisables et
2. Il doit accepter les interférences, incluant celles pouvant nuire à son fonctionnement normal.
To prevent radio interference to the licensed service (i.e., co-channel Mobile Satellite System) this device is intended to be operated indoors and away from windows to provide maximum shielding. Equipment (or its transmit antenna) that is installed outdoors is subject to licensing and not supported by Stealth™ 600P Gen 2 RX & TX Models.
Pour éviter les interférences radio au service agréé (i.e., à-d., Les systèmes par satellite mobile co-canal), cet appareil est destiné à fonctionner à l'intérieur et à l'éloignement des fenêtres pour assurer un blindage maximal. L'équipement (ou son antenne d'émission) installé à l'extérieur est soumis à un régime de licences et n'est pas pris en charge par les modèles Stealth™ 600P Gen 2 RX & TX.

RF Radiation Exposure & Hazard Statement
To ensure compliance with FCC RF exposure requirements, this device must be installed in a location such that the antenna of the device will be greater than 2 cm (0.8 in.) away from all persons. Using higher gain antennas and types of antennas not covered under the FCC certification of this product is not allowed. Installers of the radio and end users of the product must adhere to the installation instructions provided in this manual. This transmitter must not be co-located or operated in conjunction with any other antenna or transmitter.

Exposition aux radiations RF & Mention de danger
Pour assurer la conformité avec les exigences RSS-247 d'exposition aux RF (Radio Fréquences), cet appareil doit être installé dans un endroit où l'antenne de l'appareil sera située à une distance de plus de 2 cm (0,8 po.) de toutes personnes. L'utilisation d'antennes de gain plus élevées et les types d'antennes qui ne sont pas couvertes en vertu de la certification FCC de ce produit n'est pas autorisée. Les installateurs de la radio et les utilisateurs du produit final doivent se conformer aux instructions de installation fournies dans ce manuel. Cet émetteur ne doit pas être co-implanté ou exploité en conjonction avec toute autre antenne ou transmetteur.

European Union and European Fair Trade Association Regulatory Compliance
This equipment may be operated in the countries that comprise the European Union and the European Fair Trade Association. These countries, listed below, are referred to as The European Community throughout this document: AUSTRIA, BELGIUM, BULGARIA, CYPRUS, CZECH REPUBLIC, DENMARK, ESTONIA, FINLAND, FRANCE, GERMANY, GREECE, HUNGARY, IRELAND, ITALY, LATVIA, LITHUANIA, LUXEMBOURG, MALTA, NETHERLANDS, POLAND, PORTUGAL, ROMANIA, SLOVAKIA, SLOVENIA, SPAIN, SWEDEN, UNITED KINGDOM, ICELAND, LICHTENSTEIN, NORWAY, SWITZERLAND.

Declaration of Conformity
Marking this symbol indicates compliance with the Essential Requirements of the Radio Equipment Directive (RED) of the European Union (2014/53/EU).
This equipment meets the following conformance standards:
Safety:
EN 60950-1: 2006 + A1: 2009 + A1: 2010 + A12: 2011 + A2: 2013 (T-Mark License), IEC 60950-1: 2009 (2nd Ed.) + Am 1: 2009 + Am 2: 2010 + Am 3: 2013 (CB Scheme Certificate), EN 62368-1: 2014 + A11 (T-Mark License), IEC 62368-1: 2014 (CB Scheme Certificate), EN 60332-1: 2013, EN 60332-2: 2013, EN 71-3: 2013
Additional licenses issued for specific countries available on request.

EMC:
EN 55032: 2015, CISPR 32: 2015, EN 301 489-1 v21.1 2017-02, EN 301 489-17 v3.1.1 (2016-11), EN 61000-4-2: 2009, EN 61000-4-3: 2006 + A1: 2008 + A2: 2010, EN 61000-4-8: 2010
The products are licensed, as required, for additional country specific standards for the International Marketplace. Additional issued licenses available upon request.

Radio: EN 300 328 v2.2.2 (2019-07)
SAR: EN 62311: 2008
Environmental:
RoHS 2015/863 amending Annex II to 2011/65/EU, WEEE 2012/19/EU, REACH 2006/1907/EC, Packaging 94/62/EC, Battery 2006/66/EC.

WARNING:
This is a Class B product. In a domestic environment, this product may cause radio interference, in which case, the user is required to take appropriate measures.

ACHTUNG!
Dieses ist ein Gerät der Funkstörgranzwertklasse B. In Wohnbereichen können bei Betrieb dieses Gerätes Rundfunkstörungen auftreten, in welchen Fällen der Benutzer für entsprechende Gegenmaßnahmen verantwortlich ist.
ATTENTION:
Ceci est un produit de Classe B. Dans un environnement domestique, ce produit risque de créer des interférences radioélectriques, il appartenra alors à l'utilisateur de prendre les mesures spécifiques appropriées.

Recycling:
This symbol on the product or its packaging indicates that this product must not be disposed of with your other household waste. Instead, it is your responsibility to dispose of your waste equipment by handing it over to a designated collection point for the recycling of waste electrical and electronic equipment. The separate collection and recycling of your waste equipment at the time of disposal will help conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment. For more information about where you can drop off your waste for recycling, please contact your local authority, or where you purchased your product.

Turtle Beach Europe Ltd is obligated as a producer with a main activity of selling under The Producer Responsibility Obligations (Packaging Waste) Regulations 2007. To fulfil our obligation we are registered with Comply Direct and their Recycling Room. Here you will find advice and information on packaging waste management, recycling symbols and the waste hierarchy principles of reduce, reuse and recycle. <https://www.complydirect.com/the-recycling-room/>

Please visit the following URL for a complete copy of the Declaration of Conformity: <http://www.turtlebeach.com/homologation>
Mexican FT-008 Compliance Statement
"La operación de este equipo está sujeta a las siguientes dos condiciones: (1) es posible que este equipo o dispositivo no cause interferencia perjudicial y (2) este equipo o dispositivo debe aceptar cualquier interferencia, incluyendo la que pueda causar su operación no deseada."

To access the rating label: Pour accéder à l'étiquette :

1. Remove the left ear pad by pulling the ear pad straight up using your thumb.

2. Once you've released the cloth from the lip on top, pull the ear pad straight back and it should slip right off.

To replace the ear pad, follow the same process in reverse. Pour remettre le coussinet en place, veuillez suivre la procédure inverse.
